

WELCOME TO THE NATIONAL BASEBALL HALL OF FAME AND MUSEUM

It is our honor to share with you our love of baseball and the magic of the Hall of Fame, which since 1939 has served as the spiritual home of the game we love. A nonprofit institution, the Hall of Fame is committed to preserving the history of America's pastime and celebrating the legendary players, managers, umpires and executives who have made baseball a fan favorite for more than 150 years.

Across our three floors of exhibit spaces, you will experience baseball history through the artifacts on display, which showcase important individual and team moments on the field as well as the game's monumental impact on our society. You will walk among baseball's legends in the Plaque Gallery, which celebrates individual legacies of greatness with plaques conveying the accomplishments of storied careers. You will take a journey through time, returning to bygone eras and your own childhood, allowing stories and recollections to be shared across generations.

If you enjoy your visit, please consider joining the Hall of Fame's Membership Program. In that way, you can help us serve our mission of Preserving History, Honoring Excellence and Connecting Generations.

Thank you for visiting Cooperstown and the Hall of Fame. We are privileged to host you.
